In this regard, it is to mention that the application for recognition upto class 8th of your school alongwith requisite documents was received through online mode and the same was processed and an inspection team was constituted who have duly inspected your school and recommended the grant of recognition upto class 8th.

Since, the official website hosting the portal is currently not functioning, as such the grant of recognition in favour of your school is delayed and the same shall be issued once the website is restored again.
